Objectives

___ **1:** Trees grow however makes them happy.

___ **2:** It's a very cold picture, I may have to go get my coat. Its about to freeze me to death. Maybe he has a little friend that lives right over here. You're the greatest thing that has ever been or ever will be. You're special. You're so very special.

___ **3:** Of course he's a happy little stone, cause we don't have any other kind.

___ **4:** You gotta think like a tree.

___ **5:** Let's have a little bit of fun today. Brown is such a nice color.

___ **6:** Let your heart be your guide. I really believe that if you practice enough you could paint the 'Mona Lisa' with a two-inch brush.

___ **7:** I can't think of anything more rewarding than being able to express yourself to others through painting. Everyone is going to see things differently—and that's the way it should be.

___ **8:** I will take some magic white, and a little bit of Vandyke brown and a little touch of yellow.

___ **9:** That's a crooked tree. We'll send him to Washington. Little trees and bushes grow however makes them happy.

___ **10:** Isn't it great to do something you can't fail at? We'll take a little bit of Van Dyke Brown. Let's give him a friend too. Everybody needs a friend.
